As national debates intensify around energy policy, infrastructure investment, and workplace protections, defending collective bargaining and countering anti-labor efforts depends on electing leaders who stand with union labor. Supporting pro-labor candidates ensures IBEW members' jobs, wages, benefits, and jobsite safety remain a priority for lawmakers.

PSM RE-CERT CLASSES

PSM Recert classes are online on the **3rd Tuesday of every month** from 5-8pm.

To sign up for the class, please email cschieler654@gmail.com and include your name, DOB, last 4 of your social, and a contact number.

We can hold EV courses and pipe bending courses each month with enough interest. Please email mgarvey@ibew654.com to sign up.

Stay Up to Date on Information about the Local!

If you haven't already, email Paul to subscribe to his email list.

Alexa and Joan will rotate coming into the office every Tuesday from Noon until 4pm. You may stop in or schedule an appointment with them if you have any pension or healthcare questions.

September 22, 2026

As the holiday season approaches, IBEW Local 654 is once again proud to come together with our members, contractors, vendors, friends, and neighbors to host our annual Toys for Tots Drive. This year's event will take place on Saturday, November 14th at 11am.

For many families, the holidays are a time of excitement, celebration, and giving. Unfortunately, not every child has the opportunity to experience that same joy. Our Toys for Tots Drive is an opportunity for all of us to make a meaningful difference by ensuring that children in our local communities have a gift to open and a reason to smile on Christmas morning.

Last year, your generosity was truly incredible. Together, we raised more than \$10,000 in monetary contributions and collected more than 3,500 toys and other items for children in need. Those numbers represent far more than donations. They represent thousands of moments of happiness made possible because people like you chose to give.

We are incredibly grateful for everyone who has supported this effort in the past. Whether you donated a new toy, made a monetary contribution, helped spread the word, volunteered your time, or simply encouraged someone else to participate, you played a part in making last year's drive a success.

Please reach out if you would like to set up a donation box at your business. Also, we will gladly accept toy donations before the day of the event if you are unable to attend.

On behalf of IBEW Local 654, thank you for your continued generosity, partnership, and support. We are fortunate to have such a caring membership and such dedicated contractors, vendors, friends, and community partners who continue to step up when our community needs us.

Sincerely,

LOCAL UNION NO. 654, IBEW
